
Banana Anti-Wrinkle Mask

Description

Made with skin-nourishing banana extract, this mask moisturizes and encourages the appearance of soft, smooth skin.

Skin Type: All skin types. Ideal for dry and mature skin.

Benefits:

- Moisturizing.

Ingredients

Aqua, Glycerin, Hydrolyzed Marine Collagen, Propylene Glycol, Phenoxyethanol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Triethanolamine, PEG-40 Hydrogenated Castor Oil, Dipotassium Glycyrrhizate, Hyaluronic Acid, Xanthan Gum.

Acrylates/C ₁₀₋₃₀ Alkyl Acrylate Crosspolymer	An emulsifier for oil-in-water emulsions. Has thickening and formula-stabilizing properties similar to a carbomer.
Aqua	Water
Dipotassium Glycyrrhizate	A sequestrant - used as a buffering ingredient - helps control the acidity of a solution.
Glycerin	A solvent, humectant, and emollient. It absorbs moisture from the air.
Hyaluronic Acid	A substance that occurs naturally in the dermis. It is a natural moisturizer with excellent water-binding capabilities. When applied to the skin, it forms a film similar to the way it holds water in the intracellular matrix. The ability to hold water provides smoothness, improving the skin's appearance.
Hydrolyzed Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.
PEG-40 Hydrogenated Castor Oil	Fragrance ingredient, surfactant, and cleansing agent. Its primary function is as a cleansing agent.
Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Propylene Glycol	Moisture carrying vehicle used in cosmetic formulations.
Triethanolamine (TEA)	An emulsifier and pH adjuster.
Xanthan Gum	Texturizer, carrier agent, gelling agent. Stabilizes and thickens formulations.

Usage Instructions

1. Open packet, unfold mask, and place on cleansed face.
2. Leave on for 15 to 20 minutes.
3. Remove mask and discard.
4. Finish with appropriate toner and moisturizer for your client's skintype.
