
Aqua Collagen Mask

Description

Use after a European facial, peels, microdermabrasion, and laser treatments. Increases hydration, balances, skin's pH level, and restores elasticity.

Skin Type:

Suitable for all skin types. Good post treatment to calm the skin.

Benefits:

- ❑ Increases hydration, balances the skin's pH level, and restores elasticity.
- ❑ Ideal for use after medical treatments.

Ingredients

Aqua, Butylene Glycol, Glycerin, Hydrolyzed Collagen, Aloe Barbadensis Leaf Extract, Hamamelis Virginiana (Witch Hazel) Extract, Green Tea Extract, Trehalose, Milk Protein, Ceramide, Hyaluronic Acid, Tocopheryl Acetate, Phenoxyethanol, Bisabolol, PEG-40 Hydrogenated Castor Oil, Fragrance, Disodium EDTA.

Aloe Barbadensis Leaf Extract	An emollient with hydrating, softening, healing, antimicrobial, and anti-inflammatory properties.
Aqua	Water.
Bisabolol	A botanical that has anti-inflammatory and soothing properties.
Butylene Glycol	A solvent with good antimicrobial properties. It enhances the preservation activity of parabens.
Ceramide	Acts primarily in the upper layers of the skin. Forms a protective barrier and reduces transepidermal water loss from the skin. In dry skin and elderly skin, it helps repair the corneum layer, improving the hydration of the skin, making it feel softer.
Disodium EDTA	Preservative.
Fragrance	Provides an aroma to the product.
Glycerin	A solvent, humectant, and emollient. Absorbs moisture from the air.
Green Tea Extract	Powerful antioxidant due to its catechin content. Also has antibacterial, anti-inflammatory, and stimulating properties.
Hyaluronic Acid	A substance that occurs naturally in the dermis. It is a natural moisturizer with excellent water-binding capabilities. When applied to the skin, it forms a film similar to the way it holds water in the intracellular matrix. The ability to hold water provides smoothness, improving the skin's appearance.
Hydrolyzed Collagen	Modified collagen. Has the ability to bind and retain many times its weight in water.

Milk Protein	Forms a soft film on the skin and provides a smooth feel. Helps the skin retain water.
PEG-40 Hydrogenated Castor Oil	A hydrophilic emulsifier, stabilizer, antigellant, and lubricant.
Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Tocopheryl Acetate (Vitamin E)	An important oil-soluble antioxidant and free-radical scavenger when applied topically. It is also has photoprotectant capabilities and helps protect the cellular membrane from free-radical damage. It also serves a preservative function due to its ability to protect against oxidation.
Trehalose	A humectant and moisturizer. It helps bind water in the skin and increase the skin's moisture content. It is a naturally occurring plant sugar.
Witch Hazel Extract	Has anti-inflammatory and wound healing properties. Often used for its anti-itching, softening, and emollient properties.

Usage Instructions

1. Open packet, unfold and lay mask on thoroughly cleansed face.
2. Leave on for 15 to 20 minutes.
3. Remove mask and discard.
4. Finish with a toner and moisturizer appropriate for you client's skin type.
