
Blueberry Extract Crystal Eye Pad

Description

This mask is blended with vitamins, acids, and extracts to restore the skin's natural moisture and give firmness to the delicate tissue around the eye area. Helps suppress fine lines, dark circles, and puffiness.

Skin Type: All skin types, aging skin.

Benefits:

- ❑ Helps restore the skin's natural moisture and give firmness to the delicate tissue around the eye area.
- ❑ Helps suppress fine lines, dark circles, and puffiness.

Ingredients

Blueberry Extract, Marine Collagen, Betaine, Hyaluronic acid, Hydrolyzed Glycosaminoglycans, Sodium Chloride, Potassium Chloride, Sodium PCA, Methylidibromo Glutaronitrile, Phenoxyethanol & Purified Water.

Betaine	A surfactant and excellent conditioner, viscosity builder, and foam booster.
Blueberry Extract	Prevents the formation of free radicals and protects fine capillaries from dilating and bursting.
Hyaluronic Acid	A substance that occurs naturally in the dermis. It is a natural moisturizer with excellent water-binding capabilities. When applied to the skin, it forms a film similar to the way it holds water in the intracellular matrix. The ability to hold water provides smoothness, improving the skin's appearance.
Hydrolyzed Glycosaminoglycans	Has hygroscopic (capable of absorbing moisture) properties. Its small molecular structure allows it to penetrate the outer epidermal layers.
Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.
Methylidibromo Glutaronitrile	Preservative
Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Potassium Chloride	Increases viscosity in cosmetic preparations.
Purified Water	Water that is mechanically filtered or processed so that it is clean and free of any contaminants.
Sodium Chloride	Used as a preservative, astringent, and antiseptic to treat inflamed lesions.

Sodium PCA	High performing humectant derived from amino acids. Found naturally in the skin.
------------	--

Usage Instructions

1. Place sealed mask in warm water for 3-4 minutes.
2. Open foil pack, remove the two sections of the transparent eye mask & spread evenly over the eyes.
3. Remove after 10-20 minutes.
4. Do not rinse or wash the eye area after use.
5. Allow the remaining ingredients to absorb.
