

Rose Petals

Rose Petals are very soothing to the system. They are rich with a floral honey scent that is just slightly spicy. Rose Petals are believed to be a mood regulator. It is an excellent herb to use for cleaning out the entire system, including the nerves. It helps send extra oxygen into the blood stream, giving the user a feeling of heightened energy.

Usage

- ❑ May be used with carrier oils, scrubs, hydrotherapy treatments, and body wraps.
- ❑ Amount depends on treatment.
