DIRECTIONS FOR ATTACHMENTS

Memory Fit Face Cradle Pillow™

The Memory-Fit Face Cradle Pillow™ takes pressure off sensitive facial areas while providing superb support. The SmoothLock™ Face Cradle can be used in both prone and uprest positioning, and can be removed completely and stored.

COMFORTSOUL SMOOTHLOCK™ FACE CRADLE: PROVIDES SMOOTH AND EASY ADJUSTMENTS FOR FACE CRADLE PILLOW AND HEAD PILLOW.

12" x 12" x 2" (L x W x Thickness)

1. To use the Face Cradle, pull SmoothLock™ lever away from the Face Cradle. Slide extension poles into wooden extension holders.

2. Push Face Cradle into extension holders until the bottom of the pad is flush with the top of the chair. Twist SmoothLock™ lever clockwise until lever is hand tightened.

Head Pillow: 16" x 12" x 2"
(L x W x Thickness)

3. Once SmoothLock™ lever is firmly twisted, flip SmoothLock™ lever back towards Face Cradle to lock Face Cradle extensions (reverse step one).

TROUBLE SHOOTING

Caution

The table weighs as much as 250 lbs. Use extreme caution if turning the table on its side. When turning the table on it's side, seek assistance to assure a safe operation.

NOTE:

The new electronic component will be reinstalled in the same manner as the old one. When disassembling please take note of the order, installation method and placement of plugs as the new unit will be reassembled in the same way.

T-CABLES & ACTUATOR

Check the outlet to be sure that it has power and that the power cable is plugged in. Try each Hand Remote switch to see if any works. If one works, then possibly there is a loose connection or a faulty controller.

Make sure that the male and female connectors are firmly pushed into each other. Even a slight misconnection can cause a possible malfunction.

Check the connections to the T-connector make sure the cable is secure to the actuator

If one or both are still inoperable, then call Customer Service (1-877-266-7685) Option 2 for replacement parts. Proceed to the next step after receiving the replacement.

Caution

*Before doing any work on the unit, disconnect the power cord from the power outlet.

* Be sure to read all cautions, warnings and instructions given in the manual to prevent injury to both operator and client.

TROUBLE SHOOTING

REPLACING THE HAND REMOTE

1. The Hand Remote is connected through a friction fit connection to a shielded plug T-Connector that is plugged directly into the Motor Actuator.

NOTE:

The new electronic component will be reinstalled in the same manner as the old one. When disassembling please take note of the order, installation method and placement of plugs as the new unit will be reassembled in the same way.

2. Remove the Hand Remote plug from T-connector socket by pulling them firmly apart. Grasp the shielded cable plug and the Foot Control plug and work the two apart until fully disconnected.
3. Obtain the new Hand Remote
4. Install the new Hand Remote by connecting the control's plug to the shielded cable plug of the T-Connector and applying pressure

True connection

Poor connection

CARE & CLEANING

HOW TO CARE FOR YOUR UPHOLSTERY:

Upholstery

In order to maintain the quality and ensure the life of the table, here are some preventative steps that can be taken to protect the upholstery on the table and accessories.

- Protect your table and accessories with sheets and fleeces. We offer both fitted sheets and thick fleeces that protect your upholstery fabric against oil stains while offering comfortable 100% cotton flannel softness to your clients. You can also preserve your face cradle and bolsters with 100% cotton flannel covers and fleeces.
- Clean your upholstered items only when needed with a mild detergent or Green Windex. A diluted 1/100 bleach solution for disinfecting can be used. Dry the table immediately after cleaning to remove excess cleaning solution. Using strong cleaners, such as alcohol, acetone, higher concentrations of bleach or other products that contain high concentrations of these substances, can shorten the life of your fabric, or discolor it. Note: Damage caused by them will not be covered under the warranty.
- Avoid extremes in heat. Very cold temperatures can make your fabric prone to cracking. Very high temperatures can cause the fabric to stretch permanently.
- Avoid exposing your products to direct sunlight for extended periods of time. This can lead to fading and cracking of the fabric.
- Use an anti-slip pad to prevent oil from reaching the upholstery and to keep your sheets from slipping.

GENERAL CARE OF EQUIPMENT COMPONENTS:

Base & Controls

- Use only a mild solution of 4:1 diluted non-alcohol cleaner such as 409®, Fantastik® or some other non-abrasive cleaner to wipe down the metal surfaces of the table. Apply with a damp (not wet) lint-free cloth. Be sure excess liquid does not drip onto, or into, any of the electrical controls or mechanisms. Be sure that the unit is unplugged before cleaning these areas. Wipe these areas carefully with a lint free cloth.
- The electronic powering mechanism of your table requires no general maintenance or lubrication.

WARRANTY STATEMENT

MODEL	SIENA		
FRAME UNDERSTRUCTURE	UPHOLSTERY PADDING	ELECTRICAL COMPONENTS	SHIPPING
Limited Lifetime Warranty — Original owner; up to 5 years after model is discontinued	2 YEARS	2 YEARS	YES

All warranties are limited to factory-provided replacement parts, factory repair or replacement, at the discretion of COMFORTSOUL®. COMFORTSOUL® only covers parts and labor on field repair of stationary products.

All warranties exclude damage caused by improper set-up, accident, abuse, misuse, neglect, use for other than intended purpose or reasonable wear such as tears in the upholstery.

All warranties are invalidated by non-factory modifications and unauthorized repairs, which will immediately terminate all liability by COMFORTSOUL® for the product or damages caused by its use.

The buyer and its customers shall be responsible for proper set-up and use of the products as well as any supervision required for safety. In no event shall COMFORTSOUL® be liable for any special, indirect, consequential, incidental, exemplary or punitive damages or costs. Use of non-approved cleaning solutions voids the guarantee on all fabrics.

The warranties set forth herein are the sole and exclusive warranties provided by COMFORTSOUL®. There are no other warranties, representations or guarantees provided by COMFORTSOUL® either expressed or implied, including warranties of merchantability and fitness for a particular purpose. Warranty valid with proof of purchase.
