

EarthLite®
WORLD'S #1 BRAND IN MASSAGE™

EARTHLITE® PROFESSIONAL MASSAGE TABLE WARMER

Earthlite listened to its customers on ways to improve the table warmers and developed the new EARTHLITE Professional Massage Table Warmer. This commercial grade table warmer and fleece pad in-one is made with a fleeced cover and a three-level temperature warming element with overheat protection for both exceptional comfort and safety. It features a high quality solid state digital controller, quick heat, a third heat setting, and a 3 hr. auto shutoff for improved performance and reliability.

HEALING HUMANITY THROUGH TOUCH™

Earthlite® Professional Massage Table Warmer

UL / CSA EDITION

The Earthlite Professional Massage Table Warmer is now ETL Certified! This commercial grade heating and fleece pad in-one is made with a 0.5" fleeced cover and a three-level temperature warming element with overheat protection for both exceptional comfort and safety. The table warmer features a high-quality solid state digital controller, quick heat, a third heat setting, and a 3h auto shutoff for improved performance and reliability. It is generously sized (30"x73") with soft edges and elastic straps to hold the warmer in place on full sized massage tables and equipped with a 13 ft power cord. This product is backed by a one-year replacement warranty from EARTHLITE, the world's leading brand in massage supplies, since 1987.

Features:

- **TWO-IN-ONE TABLE WARMER AND FLEECE PAD** - Your clients will stay cozy and warm on this professional, luxurious fleeced warming pad in the coldest of environments.
- **GENEROUSLY SIZED**
Fits all full-sized massage tables (30"x73"). Elastic corner straps hold the table warmer securely in place. 13 ft. power cord conveniently reaches wall power outlets.
- **DIGITAL CONTROLLER**
Solid state electronics improve reliability and safety with an upgraded QUICK HEAT feature and three comfortable heat settings (High, Medium & Low) will satisfy the pickiest clients.
- **THREE COMFORTABLE HEAT SETTINGS**
From toasty to warming, the High, Medium, & Low heat settings will satisfy the pickiest clients.
- **AUTO SHUTOFF**
The warmer automatically shuts off after 3 hours.
- **AUTO OVER-HEAT PROTECTION**
This sensitive feature protects your clients, practice and home from accidents and injury, and automatically shuts off the heating pad after 3 hours.
- **ETL CERTIFICATION**
This massage table heating pad conforms to UL STD 130 / certified to CSA STD C22.2#15. 
- **HASSLE-FREE ONE YEAR WARRANTY:**
Backed by EARTHLITE, the world's leading professional massage brand, since 1987.
